THE CITY OF OHM

Copyright "The City of OHM" 1-13328187231 is a look at the year 2999 from the perspective of 8 groups of space mining teams and a host of other characters which make up an interconnected mining society through our solar system. the literary work was destroyed 6 times while the author John Pate was writing it in Iceland and Slovenia. The work is written for television. The work is entered after the same scenes had to be rewritten multiple times and an abriged version was entered into the library of congress. The literary work is snippits of memos and notes mr

Pate had on the actual work which was never finished before it was completed due to all the rewording of scenes from the constant online attacks that rendered his work vandalized beyond repair enjoy the read....
